

The Best  
Cough Drops  
Are Drops  
of Ayer's  
Cherry Pectoral.

Sixty years ago physicians first used Ayer's Cherry Pectoral, and ever since then it has been the standard cough remedy all over the world. Thousands of families, in Europe, Asia, Africa, and America, keep a bottle of it in the house ready for an emergency.

**Ayer's  
Cherry Pectoral**  
controls the spasmodic efforts of coughing, relieves the congestion in the throat, quiets the inflammation in the bronchial tubes, and prevents the lungs from becoming involved. There are many substitutes and imitations. Be sure you get Ayer's Cherry Pectoral. It contains no narcotic or poison of any kind. Put up in large and small bottles.

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass., U.S.A.

# SPORTS

## BASEBALL TO BE OFFERED FLEET

Colonel J. W. Jones, adjutant-general and Captain Campbell are acting as a committee to arrange a series of baseball meets between the Pacific fleet and the local Military Athletic Association, to take place while the ships are in port after February 1. Inasmuch as the fleet will be here only ten days, no sports other than baseball will be planned.

When the fleet was here a few months ago, numerous games were played between teams of the different ships and a few with town teams. The ships players were well organized and proved hard to handle on the field. Lieutenant Holmes, who is one of the heads of baseball matters on the ships, stated when here that he hoped for a real meeting with Honolulu ball tossers on the return from the Orient.

A meeting of the active men of the M. A. A. will be held at the bungalow on Friday evening at which the whole situation will be gone over and arrangements made to meet the fleet players. One of the matters to be decided at once is that of grounds. Athletic park is wet, Atkinson park has no accommodations for visitors and the baseball park is far away. All are good places save for these handicaps.

## HIGH SCHOOL TO PLAY THE Y. M. C. A.

Fort De Russy has replied to the challenge of the High School team for a handball match, declining to accept. The reasons are not given but it is assumed that the boys at the fort do not regard themselves as sufficiently practiced at present.

In view of the failure to get a match with the Waikiki players, Dr. Hand is arranging for a match between the High School and senior team of the Y. M. C. A. This meet will take place the first week in February. It will be ten men to a side, each man to play a game of fifty point. Numerous other minor conditions are prescribed. The games will be played afternoons and evenings. Regulation rubber, black-ace handballs will be used. The single tournament will be followed by a double tournament.

The Y. M. C. A. has a larger bunch of players this season than in a long while before, and the prospects are that an exceptionally fine team will be put into the games.

## NERVOUS PROSTRATION

You can't sleep; you feel tired, irritable, dizzy at times; have headache, backache, and are nervous, and excitable. You are on the verge of nervous prostration, which means a general breakdown. Dr. Miles' Nervine will build up your nervous system to its natural strength, and all this misery will disappear. The first bottle will cost you nothing if it fails to help you.

Fine Job Printing, Star Office

## MOTORCYCLISTS AT HILL CLIMBING

Motorcyclists of the city have for some time been figuring upon a plan for what may be called hill-climbing contests, and had it not been for the long period of rainy weather, something would probably have been shaped up for floral parade day. At present the matter is hanging fire, awaiting a return to good weather and of good roads.

Just where these races will be brought off has not been decided, although there are several suitable stretches in the outskirts of the city. The events will be the severest kind of tests, both as to endurance of machines and riders and speed of motorcycles under the worst of conditions.

The last meet of motorcyclists at Kapiolani park track was very successful, despite the fact that there were few entries.

## ENTRIES FOR SURFING EVENTS

Entries for the surf-board events at Waikiki beach Sunday afternoon are being received by Harry Steiner, Kenneth Brown and C. Hustace. All persons wishing to participate should notify the committee at once as the time is getting shorter every day. Up to date about twenty entries have been received. This is a fair start, but it is hoped that there will be many more. The Cleveland tourists are looking forward to the surfing events as a leading feature of the local program for their entertainment.

## PLAYS BY REQUEST.

Never before have the people of Honolulu been so well pleased with the shows that are being put on at the Orpheum now. So popular has Allen Doone and Miss Keeley become that they are requested as to what play they shall be seen in.

Last night "A Bold Gasson" was witnessed by a large audience and fully appreciated. Besides being a sweet singer Mr. Doone is also a clever actor. During the quarreling scene in which Mr. Stead also took part, so natural was their acting that people in audience became uneasy and wanted to know of each other if they were in earnest. To night Mr. Doone and Miss Keeley will be seen in "A Kerry Courtship" by request. In addition to that the Golden Co. will render the first act of "The Mexican German" a comedy farce in which Mr. Golden never fails to bring down the house. Also vaudeville stunts by different members of the company.

Dr. Mackall last night invited Mayor Fern and the Board of Supervisors to a supper at the Courtland on Friday evening. It was voted to accept the invitation with thanks.

## BUBBLING IT IN.

Wife—It's too bad that I, like most women, have no head for figures.  
Hubby—Well, suppose you had?  
Wife—Oh, then I might be able to tell you what I did with that dollar you gave me three weeks ago.

## STANTON AND CO. AT OPERA HOUSE

The program under consideration for presentation at the opera house on Thursday, Friday and Saturday nights by the Walter Stanton Vaudeville Co. should be a good one. The Park company is to be transferred on account of the rain and the demand of the public to see Mr. Stanton in his rooster act where he is pitted against a real bird in a cocking main. He will also give his imitation of the parrot and in each character he will represent giant birds. Miss Orville will give her fine contralto voice a rest from the strain which is necessary in the open and her songs will be more enjoyable. Marie Kenney, dramatic entertainer, will appear in dances and recitations for the first time in Honolulu. The notices she has received in California warrant her posing as an actress of more than ordinary ability.

Doc Bryant, musical artist and dialect comedian, will have one act as will the Milnotte Sisters.

Vier's orchestra is to furnish the music and the seats will be 50c, 35c, 25c and 10c. They are now on sale at the Bergstrom Music Store, Odd Fellows Bldg., Fort street.
